A MESSAGE *from* PREMIER DAVID EBY

As drivers of positive change in their community and beyond, each award winner is a true role model for young leaders everywhere. CITY OF SURREY

OFFICE OF THE MAYOR

A MESSAGE FROM THE MAYOR OF THE CITY OF SURREY

Re: **14th Annual SASSY Awards – May 7, 2024**

As Mayor at the City of Surrey, it is my pleasure to send greetings and acknowledgment for the 14th Annual SASSY Awards, scheduled to take place on Tuesday, May 7, 2024.

SASSY is an acronym for **SERVICE ABOVE SELF SURREY YOUTH**

Community leaders are born from the passion and drive that is ignited within their youth. Programs such as these are both a gift and a force that our youth tap into as they recognize the essence that being of service can provide to the spirit.

The six awards that will be presented at the **SERVICE ABOVE SELF SURREY YOUTH Awards** event represents an opportunity for our youth to get a better idea of their values and develop a world view that seeks to make life better for all. In a world that is diverse and uncertain, the intrinsic value of giving of ourselves and providing **Service Above Self** pays off in dividends that enrich our lives even more than we could have ever imagined. It is a like a pot of gold at the end of the rainbow.

Sending a shout out to the volunteers, staff and organizations who have partnered to make this event happen. Please accept our deepest thanks and accolades for your service.

Wishing all the 2024 Sassy award nominees the best of luck in this and all future endeavours!

Sincerely,

A handwritten signature in blue ink, which appears to read "B. Locke". The signature is fluid and cursive.

OFFICE OF THE MAYOR

April 11, 2024

Greetings from Mayor Megan Knight

On behalf of the City of White Rock, I am pleased to extend greetings and a warm welcome to everyone attending the 14th Annual SASSY Awards taking place on May 7, 2024 to recognize and honour outstanding youth in our communities.

The Semiahmoo Rotary's SASSY Awards provides an important opportunity to showcase and reward youth that have demonstrated the values of Rotary and that have made a positive and significant impact in the areas of arts and culture, community service, youth leadership, environmental leadership, sports and recreation, and in overcoming adversity.

I would like to congratulate this year's nominees and award recipients and I thank each of you for making a difference in our communities. You exemplify the true spirit of "service above self." Take this time to pride yourselves on your accomplishments and the positive impact you have on others. It matters and inspires us all.

In addition, thank you to the many sponsors and volunteers that make this event possible and contribute toward its success.

Enjoy the evening ahead.

TO EVERYONE INVOLVED IN
THIS YEAR'S 14TH ANNUAL
SASSY AWARDS

Embracing diversity through integrity is key to leadership. The young people honoured at tonight's celebration have demonstrated this as community leaders, and continue to inspire us as they broaden their connections.

At KPU, we support our students in becoming connected global citizens. The SASSY Awards embody the spirit of that goal, and we are proud to support this event.

Thank you to everyone who has helped make this happen. We are thrilled to be part of this celebration of the achievements of young people in Surrey and White Rock.

Sincerely,

A handwritten signature in black ink that reads 'Alan Davis'.

Alan Davis, PhD
President and Vice-Chancellor

Welcome to the 14th Annual SASSY Awards, where we celebrate the achievements of youth aged 15 to 21 who are making a difference in our community by demonstrating the Rotary ideal of "Service Above Self".

It is a pleasure for the Semiahmoo Rotary Club to host the SASSY Awards in partnership with the City of Surrey and Kwantlen Polytechnic University.

This year we will be presenting SASSY Awards in the following categories:

- Overcoming Adversity
- Environmental Leadership
- Community Service
- Arts and Cultural Leadership
- Sports and Recreation Leadership
- Youth Leadership

Each award recipient will receive \$1,500, a keepsake trophy and \$500 to donate to a registered Canadian charity of their choice. The other two finalists in each category will receive an award of \$500 as well as \$250 to benefit the registered Canadian charity of their choice.

As Nelson Mandela said "The youth of today are the leaders tomorrow". The SASSY nominees are a testament to that statement and are already exhibiting their leadership abilities. The SASSY Awards committee congratulates all the nominees and award recipients. We wish you continued success in the future. We look forward to you continuing to be leaders tomorrow!

To all our sponsors and volunteers who have made this evening possible, thank you! And to all the nominees and guests we are delighted you could join us in celebrating outstanding youth leadership in our community.

Enjoy the evening!

Entertainment

Richard Tichelman

A pop phenom whose star is on a meteoric rise. With a treasure trove of accolades, two explosive EPs, and stages from Toronto to Los Angeles under his belt, Richard has dominated as both a magnetic headliner and a sought-after supporting act. With a debut album, "In & Out of Love," on the horizon for June 2024, fueled by XOXO Entertainment Corp./Believe, Richard is set to redefine pop music. His track "HANDS" earned him a coveted spot at the CMW showcase and victories in top music competitions, including the Grand Prize in the Jim Beam® Bourbon's Virtual National Talent Search, amassing over 5.7 million impressions. 2023 saw the release of his singles "MISSING YOU" and the chart-topping "RED LIGHTS," a Nashville-born anthem mixed by Mike Fraser (AC/DC, Metallica) and produced by Giordan Postorino (Alessia Cara). "Red Lights" not only electrified airwaves but also clinched a win at the 2024 USA Songwriting Competition, solidifying Richard's place in the music elite. Richard's journey continued with unforgettable live performances at iconic venues and a prestigious mentorship at Studio Bell, Calgary. Join the journey of Richard, where every note tells a story of passion, love, and the relentless pursuit of musical excellence. Richard is proud to be a multi-year SASSY Awards performer.

Entertainment

Jayden Bayer Trio

The Senior Jazz Combo, from Salish Secondary School, was formed in the 2023-2024 school year. It features Tony Illic (Bass), Oliver Laporte (Drums) and Jayden Bayer (Saxophone). This group of students has been working together for almost 2 years. They are a self-led group, with a little supervision from band director Bill Clark, and love performing wherever and whenever possible. Last year, along with trumpeter Alex Storness-Bliss (now at Capilano University) this group was awarded Most Outstanding Junior/Senior Combo at the Surrey Jazz Festival. They are extremely honoured to be featured at this year's SASSY Awards and want to thank the organizers for the invitation to be at this fabulous event.

Emma Mizak
